TERMS AND CONDITIONS FOR LIMITED TENDER

No.1 (Aluminium & Steel Works)/RIPANS OF 2021-2022

1. The Tender Reference no, name of work and name of contractor is to be mentioned clearly on the envelope.
2. No advance payment will be made.
3. There should be no cutting or overwriting on the body of the Tender, otherwise it will summarily be rejected.
4. While submitting price bids, contractors should not use correction fluid. Price bids where correction fluid has been used will not be accepted.
5. Tenders sealed with wax/brown tape etc only will be accepted. Stapled tenders will be rejected.
6. Every page of the tender paper to be signed by the contractor as a token of acceptance of the terms and conditions before submission of tender, failing which the tender will be rejected.
7. Tenderers have to quote their rates both in figure and in words on item rate basis at per/above the Mizoram PWD schedule of rates for Building 2019.
8. The rates written in words shall prevail in case of any variation between the rates mentioned in figure and in words.
9. In the event of responsive parties quoting same rates, the Institute will have the right to decide on the allotment of the work to any of the party/parties ***based on the experience/credentials of the work in question.***
10. Contractors shall be deemed to have inspected and examined the site of work and its surroundings before submitting the bidding documents.
11. The contractor shall not sub-contract the work to any sub-contractor. An undertaking by the contractor shall have to be submitted to this effect. **(Format-A)**
12. The successful bidder shall provide a performance security for his proper performance of the contract within 7 (seven) days from the date of receipt of work order. The performance Security shall be in the form of Fixed Deposit or Bank Guarantee in favour of Director, RIPANS. The amount of the security shall be 3% (Three percent) of the contract price. The performance security shall be valid until the contractor has executed and completed the works and remedied any defects therein in accordance with the contract. The Performance security shall be claimed by the contractor within 14 days from the expiry of the Defect Liability Period (i.e. 3 months from the date of completion). If the contractor fails to perform the work as per terms and conditions of the contract, the performance security shall be forfeited.
13. If during the execution of the work the contractor encounters physical obstructions or physical conditions other than climatic conditions on the site, which obstructions or conditions were in his reasonable opinion not foreseeable by the contractor, the contractor shall give written notice thereof to the Director, RIPANS. On receipt of such notice, if the Director, RIPANS, in his opinion feel that such obstructions/conditions could not have been reasonably

foreseen by the contractor, after due consultation with the contractor determine any extension of time with no financial bearing to which the contractor is entitled.

14. During the execution of the works, the contractor shall keep the site reasonably free from all unnecessary obstructions and shall store or dispose of any contractors equipment and surplus materials and clear from the site any wreckage, rubbish or temporary works in consultation with the Technical Consultant of the Institute.
15. Before issue of any completion certificate, the contractor shall clear away and remove from that part of the site to which the completion certificate relates all contractors' equipment, surplus material, rubbish and temporary works of every kind.
16. In the event of
 - a. The amount or nature of extra or additional work
 - b. Exceptionally adverse climatic conditions
 - c. Other special circumstances which may occur other than through a default or breach of contract by the contractor or for which he is responsible.Being such as fairly to entitle the contractor to extension of time for completion of the works or any section or part thereof, the Institute shall after due consultation with the contractor and determine the amount of such extension with no financial bearing and shall notify the contractor accordingly.
17. If the contractor fails to complete the execution and completion of the works as specified in the work order and if extension of time is granted if any in accordance with clause 14 and 17 of the GCC, the contractor shall be bound to pay as liquidated Damages a sum of 0.5 % (percent) per week of delay for such default subject to a maximum of 10 % of the contract price.
18. Defect liability period shall be 3 (three) months calculated from the date of completion of the works certified by Junior Engineer of the Institute in the completion certificate.
19. If the contractor fails to fulfill any of the obligations under this contract, the Institute shall be at liberty to terminate the contract thereby voiding the contract and will be at liberty to allot the whole work or balance works to any other party at the risk and cost of the first party.
20. All works are to be carried out as per current specification prevailing in the state of Mizoram and when directed by the Institute.
21. Rates once accepted will not be enhanced due to variation in the rate of materials, labour and Government taxes.
22. No tools and plants will be supplied by the Institute.
23. No materials will be supplied by the Institute.
24. The quoted rates shall be firm, fixed and binding on the contractor irrespective of any variation in the quantities stated in the contract.
25. The specifications and mode of measurement for civil works shall be in accordance with PWD/CPWD specifications unless otherwise specified.
26. If there is any excess payment on any item etc made to the contractor, the contractor shall not hesitate to cooperate in adjusting / deducting the same from final bills.

- 27. The Institute reserves the right to accept or reject any or all tenders without assigning any reason thereof.
- 28. The contractor shall be responsible for the safety of all its workmen/employees during the period of execution of the work. The party shall provide all safety materials, gadgets, equipments etc to all its workmen/employees to ensure their safety during execution of the work. The Institute shall not be held responsible in case of any accidents, mishaps etc to the contractor and its employees.
- 29. The contractor while employing labour should ensure that all the statutory labour laws and regulations are adhered to.
- 30. If any statutory tax/deduction/recovery is notified/enacted by the State/Central Govt, the same shall be deducted from the bill of the contractors as applicable from its effective date of coming into force.
- 31. The contractor, who is allotted with the work, will have to sign on the measurement book as a token of acceptance of the measurement.
- 32. **Filling of tender forms inside the Institute's premises is strictly prohibited.**
- 33. All the above requirements are compulsory for fulfillment as part of the tenders failing which tenders will be rejected.
- 34. In case of any legal disputes and litigations arising out of this tender or its terms, the decision of the Institute authorities shall be final and binding.

X
