REGISTRATION

DHR ICMR-Sponsored Two-Day National Workshop on Scientific Writing and One Day CME, RIPANS

1. ABOUT RIPANS

Regional Institute of Paramedical and Nursing Sciences (RIPANS). Aizawl, is the only institute under the Ministry of Health & Family Welfare, Govt. of India, offering career-oriented programmes in Nursing, Pharmacy and Allied Healthcare under one roof.

2. EVENT OVERVIEW

RIPANS is organising an ICMR-funded two-day national workshop, "From Research Question to Publication: Scientific Writing and Science Communication for Evidence-Based Allied Healthcare Practice," on 12–13 August 2026, followed by a one-day CME on "Emerging Trends in Immunology, Infectious Diseases, Molecular Diagnostics and Translational Research," on 14 August 2026.

3. WHAT PARTICIPANTS WILL GAIN

The workshop enhances understanding of the full research process—from identifying research problems and framing research questions to study design, software, and preparation, publication ethics, journal selection, and the role of AI in research. The CME strengthens the academic community of those of advances in immunology, infectious diseases, molecular diagnostics and translational research.

4. WHO SHOULD ATTEND

Medical Professionals • Faculty Members • Clinicians • Allied Healthcare Professionals • Researchers • PhD Scholars • Postgraduate Students • Industry Experts

5. INVITATION / REGISTRATION NOTE

We cordially invite all eligible participants to register, learn from experienced experts, enhance professional skills, and interact with peers from diverse healthcare and research backgrounds.
